

Curriculum Vitae, January 2023

Selma Aybek – Full Professor of Neurology University, Fribourg

1. Institutional and academic qualification and function

a. Current position

From Feb 2023-	Full Professor of Neurology , Fribourg University, Fribourg
Sept 2020 –	Co-Director Psychosomatic Medicine , Neurology Dpt, Inselspital, Bern
Sept 2017 –	SNF Professor , University of Bern

b. Previous positions

Oct 2016 -Aug 2017:	SNF Ambizione Fellow 80% , Neurosciences Dpt, Geneva University (UNIGE) Leitende Ärztin 20% , Bern University Hospital (Inselspital)
Sept 2014-Sept 2016:	SNF Ambizione Fellow 80% , Neurosciences Dpt, Geneva University (UNIGE) Cheffe de clinique scientifique 20% , Geneva University Hospital (HUG)
Oct 2013-Aug 2014:	Maître-Assistante Boursière d'Excellence , Geneva University (UNIGE)
Oct 2011-Sept 2013:	Clinical Researcher UNIL 50% , Bourse Pro-Femme , Lausanne (UNIL) Cheffe de Clinique 50% , Neurology Dpt, CHUV
Oct 2010-Sept 2011:	Cheffe de clinique (chief resident) Neurology Dpt, Lausanne, CHUV
Oct 2007-Sept 2010:	Honorary Research Fellow Institute of Psychiatry, King's College, London, UK
Oct 2006-Sept 2007:	Cheffe de clinique (chief resident) Neurology Dpt, Lausanne, CHUV
Oct 2004-Sept 2006:	Cheffe de clinique adjoint (chief resident) Neurology Dpt, Lausanne, CHUV
Oct 2003-Sept 2004:	Médecin-assistant (resident) Neurology Dpt, Lausanne, CHUV
April 2003-Sept 2003:	Honorary training Fellow
Oct 2001- March 2003:	Prof.Veronika Skvortsova, 31 City Hospital, Moscow, Russia Médecin-assistant (resident) Neurology Dpt, Lausanne, CHUV
Oct 1999- Sept 2001:	Médecin-assistant (resident) Internal medicine and Surgery, Hôpital St-Loup, Pompaples (Vaud)

c. Titles and diplomas

- 2023: **Full Professor of Neurology**, Science and Medicine Faculty, Fribourg University, CH
- 2020: **Associate Professor of Neurology**, Faculty of Medicine, Bern University, Bern
- 2018: **Certificate of Proficiency in Psychosomatic Medicine**, Schwerpunkt SAPP, CH
- 2017: **Certificate of Advanced Studies (CAS)** Management of Health Institutions, Geneva
- 2017: **Certificate of Advanced Studies (CAS)** Psychosomatic Medicine, Geneva
- 2017: **Investigator-Promotor (GCP course)** UNIGE, Geneva
- 2016: **Privat-Docent**, UNIGE, Geneva
- 2014: **Privat-Docent**, UNIL, Lausanne
- 2007-10: **Research Fellowship** (equivalent PhD), Institute of Psychiatry, King's College London, UK (Supervisor Prof Anthony David)
- 2008: **Certificate in Electroencephalography**, Swiss Clinical Neurophysiology Society
- 2008: **Clinical Investigator (GCP course)** UNIL, Lausanne
- 2008: **Neurology Board Specialist, FMH** (Foederatio Medicorum Helveticorum)
- 2005: **Medical Doctorate Degree (MD)**, Faculty of Medicine, « *Emotional Behavior in Acute Stroke: The Lausanne Emotion in Stroke Study* ». Pr. J. Bogousslavsky, UNIL, Lausanne
- 1998: **Swiss Federal Medical Diploma**, Faculty of Medicine, UNIL, Lausanne

2. Undergraduate education

- 1995: ERASMUS program 4th year, University of Vienna, **Austria**
- 1992-98: Medical School FBM-UNIL, Lausanne University
- 1980-92: Primary and Secondary School, Lausanne, Switzerland

3. Awards

- 2014: **Best Movement Disorder Paper Award**, the Swiss Movement disorders Group, Bern
- 2013: **Boursière d'Excellence** Award from Geneva University
- 2013: **Lishman Prize** from the British Neuropsychiatry Association (BNPA), London
- 2010: **1st Prize for Scientific merit**, British Neuropsychiatry Association (BNPA), London
- 1996: **"Roche" Prize** for best Poster: Swiss Conference for Internal Medicine, Lausanne

4. Scientific function

Active Member Scientific Societies /Editorial Boards

- 2019- **Board of Directors**, International Functional Neurological Disorder Society (President Prof Mark Hallett, NINDS, USA)
- 2018- **Deputy Chair of the Committee on Research**, American Neuropsychiatric Association (ANPA) (Chair Prof Simon Ducharme, McGill University, CA) ([Link CoR ANPA](#))
- 2018- **Board of Directors**, Swiss Foundation for Movement Disorders (President Dr Daniel Waldvogel)
- 2018- **Editorial Board Member** *Cognitive Neuropsychiatry* ([Link](#))
- 2017- **Editorial Board Member** *Cerebrovascular Disease* ([Link](#))

Expert in Committees / PhD Programs / Grants programs

- 2021- **Expert** for “Young Talents in Clinical Research” funding program of the Swiss Academy of Medical Sciences
- 2021- **Expert PhD Committee**, Graduate Health Science, Unibe (Commission 2, Neurosciences)
- 2019- **Expert PhD Committee**, Graduate School for Cellular and Biomedical Sciences, Bern
- 2020/21: **Grant External Reviewer** for Deutsche Forschungsgemeinschaft (DFG), **Germany**
- 2020- **Grant External Reviewer** for british Medical Research Council (MRC), **London, UK**
- 2019: **Grant External Reviewer** for NINDS/NIH research grants Office, **Washington, USA**
- 2010- **Reviewer** for several journals: *Brain, Neurology, JNNP, Biological Psychiatry, Movement Disorders, Epilepsy & Behaviour, Journal of Neuroscience, JAMA Neurology, American Journal of Psychiatry, Neuroimage, Journal of Psychosomatics Research, Psychosomatic Medicine, Neuroimage Clinical*

Active Member of Task Forces /Study Groups

- 2020- Member of the **Swiss gender Health Network**, Swissuniversities funded program (to integrate gender issues in the pregraduate medical teaching curriculum)
- 2019- Member of the **Task Force on Gender and Diversity issues in Neurology**, European Academy of Neurology
- 2018- Member of the **Functional Movements disorders Study Group**, International Movement Disorder Society

5. Scientific societies and networks

UK-FNS (Functional Neurological Symptom) expert group: Member
 American Neuropsychiatric Association: Deputy Chair of the Committee on Research
 British Neuropsychiatric Association: Member
 American Academy of Neurology: Fellow Member
 European Academy of Neurology : Member
 Movement Disorders Society: Member
 Swiss Neurological Society: Member
 Swiss Behavioral Neurology Society: Member
 Women Mentoring program for academic careers 2008-10: Mentor Pr. Monica Gotta, UNIGE
 Mentoring through Boursière d’Excellence Program UNIGE: Pr Frauke Müller, UNIGE

6. Current Research Group

Research coordinator 60% : Manuela Steinauer
Post-doctoral fellow 20% (imaging data): Serafeim Loukas – joint with Biotech - UNIGE
PhD Student: Janine Bühler – GHS, Unibe + Program BeNeFri
PhD Student: Samantha Weber – GCB, Unibe + Program BeNeFri
PhD Student: Alina Scheidegger (co-supervision with Pr grosse Holtforth), Psychology, Unibe
Honorary medical fellow Dr Eric Morel – Inselspital- Bern
Psychology Master Student Fabian Messmer - Unibe
Psychology Master Student Basil Maly - Unibe
Medical Doctorate Student Giorgio Vannini- Unibe
Medical Doctorate Student Ayla Schneider- Unibe

7. Invited Lectures

Last 6 years (2017-2022):

2022 Sept:	Société Francophone des Mouvements Anormaux, Clermond-Ferrand, France
2022 June:	4 th International Functional neurological Disorder Society, Boston, USA
2022 June:	24e Colloque du Collège de Médecine de Premier Recours, Lausanne, Switzerland
2022 March:	32nd Annual Meeting of the American Neuropsychiatric Association, (virtual)
2022 Jan:	Lecture, Brigham and Women Hospital Movement Disorders Conference, Boston, US (virtual)
2021 Dec:	European Congress of NeuroRehabilitation 2021 jointly with 27. Jahrestagung der Deutschen Gesellschaft für Neurorehabilitation, (virtual)
2021 Dec:	10 Jahre Psychosomatik Symposium, Olten, Switzerland (virtual)
2021 Nov:	Réunion du Réseau Parkinson Sud-Est, Marseille, France (virtual)
2021 Oct:	25th World Congress of Neurology, Rome, Italy (virtual)
2021 Oct:	Neurokolloquiums, UNIVERSITÄTSKLINIKUM FREIBURG Klinik für Neurologie und Neurophysiologie Freiburg, Deutschland (virtual)
2021 Oct:	Annual Meeting Austrian Parkinson's Society, Graz, Austria (virtual)
2021 Sept:	International Congress of Parkinson's disease and Movement Disorders (MDS), (virtual)
2021 Aug:	34 th International Epilepsy Congress (virtual)
2021 June:	7 th Congress of the European Academy of Neurology, Vienna, Austria (virtual)
2021 May:	1 st Day of Psychosocial Health, Basel, Switzerland (virtual)
2021 May:	International Parkinson and Movement Disorder Society – European Section, (virtual)
2021 March:	31 st Annual Meeting American Neuropsychiatric Association, (virtual)
2021 Jan:	19 ^e Congrès de l'Encéphale, Paris, France (virtual)
2020 Dec:	Deutsche Gesellschaft für Neurorehabilitation, Düsseldorf, Germany (virtual)
2020 June:	Massachusetts General Hospital (MGH) Neurology Grand Rounds, Boston, USA (virtual)
2019 Dec:	Annual Meeting American Epilepsy Society (AES), Baltimore, USA
2019 Sept:	International Congress of Parkinson's disease and Movement Disorders (MDS), Nice, France
2019 June:	Italian Academy of Movement Disorders (Accademia Limp-Dismov), Verona, Italy
2019 May:	12 th European Conference on Tourette Syndrome and Tics Disorders, Hannover, Germany
2019 Jan:	Quadrimed Congress, Crans-Montana, Switzerland
2018 Nov:	Annual Meeting Club des Mouvements Anormaux, Nivelles, Belgium
2018 Sept:	Annual Meeting Schweizerische Neurologische Gesellschaft, Montreux, Switzerland
2018 Sept:	Ground Rounds Neurology Mayo Clinic, Jacksonville, Florida, USA
2018 June:	54 th Meeting German Association for Epilepsy, Fürth, Germany
2018 April:	70 th Annual meeting American Academy of Neurology, Los Angeles, USA
2017 Oct:	4 th European Congress of Neuro-Rehabilitation, Lausanne, Switzerland
2017 Sept:	3 rd International Conference on Functional Neurological Disorders, Edinburgh, Scotland

8. Conference papers (oral presentation only)

- 2017 March **Functional Movement Disorders and Functional Weakness: Towards Guideline Development**
American Neuropsychiatric Association 2017 Annual Meeting, **Atlanta, US**
- 2015 October **Abnormal self-relevant motor representation in Functional (psychogenic) Neurological Disorders**
Swiss Neurological Society Meeting, Bern
- 2014 August **The neural correlates of Freudian 'repression' in Conversion Disorder**
6th Swiss Movement Disorders Symposium, Luzern
- 2013 Sept **Validity of clinical signs in Conversion Disorder**
World Neurology Conference, **Vienna, Austria**
- 2013 February **The neural correlates of Freudian repression in Conversion disorder**
25th Meeting British Neuropsychiatric Association, **London, UK**
- 2010 February **Life events in the year preceding Conversion disorder's onset: role of timing and type of events**
23rd Meeting British Neuropsychiatric Association, **London, UK**
- 2010 June **Life events in Conversion Disorder**
13th Annual meeting of the European Association of Consultation Liaison Psychiatry (EACLPP), **Innsbruck, Austria**
- 2009 June **Conversion disorder: positive signs and diagnosis**
12th Annual meeting of the European Association of Consultation Liaison Psychiatry (EACLPP), **Noordwijkerhout, NL**
- 2006 October **Dementia after STN-DBS: Predictive Value of Preop Hippocampal Atrophy**
17th European Society for Stereotactic Neurosurgery, Montreux
- 2006 Sept **An unusual case of CADASIL**
Colloque annuel "Vaud-Genève", Prangins
- 2006 April **Dementia after STN-DBS: Predictive Value of Preop Hippocampal Atrophy**
58th AMERICAN ACADEMY NEUROLOGY, **San Diego, US**
- 2006 February **Hippocampal atrophy predicts occurrence of PD dementia after STN-DBS**
1st WORLD PARKINSON CONGRESS, **Washington DC, US**
- 2005 April **Dementia following STNDBS in Parkinson's disease: A long-term study**
57th AMERICAN ACADEMY OF NEUROLOGY, **Miami, US**
- 2004 April **Neglect in hyperacute stroke (PLATFORM)**
56th AMERICAN ACADEMY OF NEUROLOGY, **San Francisco, US**

Date: January 11th 2023
